- ◆ **Product Size** - 7'x3.25' & 8'x4'
- ◆ **Finish** - Matt and High Gloss Finish
- ◆ **Disclaimer** - Cleaning should be carried out with a soft cloth and warm solution. Do not use detergents containing abrasive particle or excess soda / bleach.

NOTE- Bonding of laminates under high humidity, plywood with high moisture content, ply with uneven surface, inferior quality adhesive and insufficient pressure may lead to delamination / air bubble in between ply and laminates. InTim Doorskins warrants that its products are free from manufacturing defects and they are fit and suitable for usual purpose under normal and proper use. The product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product. Metal Door Skin are recommended for indoor use and are advised not to be exposed to direct sunlight.

- Coffee and tea stains can be removed using mild household cleaner or detergent and a soft cloth.
- Refrain from using acidic or abrasive cleaner as they can damage the laminate surface.
- Hair, textile and food dyes can lead to permanent stains. Should the dye spill over, wipe it off immediately using a dishwashing detergent. You can also use an all purpose cleaner.
- Never use sharp objects such as knives or keys directly on the decorative surface. Using chopping board or counter saver is an advisable option.
- In order to clean the laminate surface hygienically and effectively, use a damp cloth or sponge.
- Never place heat generating appliances such as frying plans or dishes directly from cook top or oven on the laminate surface directly.
